- b. Preserving and ensuring a spirit of harmony and cooperation within the Board, and between individual Board members.

c. Allowing full and free discussion among the members of the Board in order to ensure that all viewpoints are considered prior to taking action on behalf of the county.

8.2. Where provisions of these By-laws differ from similar procedures established by Robert's Rules of Order, provisions of these By-laws shall prevail.

8.3. Repealed. (This section referenced seating at meetings for Board Members)

8.4. The following rules and procedures shall prevail at meetings of the Board:

a. A quorum of the Board is a majority of the membership comprising at least three (3) of the five (5) members of the Board. A quorum must be present to Call to Order and continue an official meeting and to take Action of Record.

b. The Chairman shall Call to Order an official meeting at the designated time and determine a quorum. If a quorum is not present at the designated time, the Chairman may direct a delay of up to fifteen (15) minutes in the start of the meeting at his discretion. Any further delay in the start of the meeting may be made only with the consensus agreement of the majority of those Board members present.

c. Should for any reason a quorum not be maintained continuously during any official meeting, the meeting shall adjourn at that time. A Board member's physical presence on the grounds of the location of the meeting shall be considered as being present at the meeting and satisfactory for the maintenance of a quorum. Board members shall notify the Chairman if required to leave the grounds of the location of the meeting, either temporarily or for the remainder of the meeting.

d. All informal and formal discussions of Items of Business and Actions of Record must be made from the Board

Table. Any Board member away from the Board Table but maintaining physical presence at the meeting location at the time of an Action of Record will be counted as having cast an abstaining vote.

e. Informal discussion of an Item of Business by Board members is permitted while no primary or substitute motion is pending.

f. A second to a primary and substitute motion is not required in order to formally discuss and/or vote upon the motion. Voting shall be by show of hands. The Chairman shall verbally summarize the vote upon conclusion of an Action of Record, noting by individual name those Board members abstaining or voting in the minority on the Item of Business.

g. Any member of the Board may terminate debate or discussion of an Item of Business and call for a vote on a pending motion by "calling for the question" after being recognized by the Chairman.

h. An abstaining vote is neither an affirmative nor a negative vote and has no effect on the vote, or the status of the quorum.

i. A tie vote fails. The Board does not designate a tiebreaker pursuant to § 15.2-1421 of the Virginia Code.

j. A substitute motion will be voted on prior to the primary motion, in reverse order (i.e. the substitute motion will be voted on first). Only one (1) substitute motion will be considered prior to a vote on the primary motion.

k. The Chairman is authorized to speak in discussions, and can vote on all motions and/or all questions but may not call for the question. The Chairman may temporarily relinquish the position. The Chairman may do so by passing the gavel to the Vice-Chairman or Acting Vice-Chairman prior to the start of

discussion of an Item of Business. Upon completion of the Item of Business, the gavel shall be returned to the Chairman.

l. A primary motion may be amended prior to vote with the concurrence of the originating Supervisor of the primary motion. The amended primary motion is then treated as the primary motion, and not a substitute motion. A primary motion may not be amended if a substitute motion is pending until conclusion of vote on the substitute motion. An amendment to a primary motion opposed by the originating Supervisor shall not be voted on until action is taken on the original primary motion.

m. If a primary or substitute motion is made at a Board meeting where at least four (4) members are present and the motion is voted on and fails, the same or a substantively similar motion cannot be reconsidered by the Board during that fiscal year except by a primary or substitute motion made by a member of the Board who voted on the prevailing side where there are no less than four (4) Board members present, and only if two-thirds (2/3) of the Board members present vote to reconsider the motion again.

n. A primary or substitute motion may be made to tentatively act upon an Item of Business where a final Action of Record is anticipated at a later date. All Items of Business tentatively acted upon by the Board shall be considered bound by the tentative action if not otherwise reconsidered by the Board within three (3) calendar months of the date of the tentative action.

o. A motion to Table an Item of Business for consideration at a future meeting, or to remain Tabled indefinitely may be made either as a primary or substitute motion but not by consensus agreement. An action to Table an Item of Business to a later time within the same meeting may be passed by consensus agreement of a majority of Board members present.

8.5. The following protocols will be followed at meetings of the Board:

a. Official meetings of the Board are open to public observation and, as set out herein, public participation. When not addressing the Board and/or attending public as herein described, those present at an official meeting shall be respectful of the rights of others.

d. Those persons and organizations with Items of Business before the Board may address the Board upon recognition and invitation of the Chairman to approach the Podium, where upon they shall identify themselves, any title and organization they represent, and provide a mailing address to facilitate any correspondence needed subsequent to the Item of Business. As a guideline, presentations to the Board pursuant to an Item of Business should be limited to ten (10) minutes. At the conclusion of such presentation/ discussion, the Chairman shall Open the public hearing and invite those of the public attending the meeting to the Podium to comment.

h. At the discretion of the Chairman, or with the consensus agreement of the majority of the Board, those speaking during the open portion of a public hearing may be limited to a specified length of time for comments at the Podium. The Chairman at his discretion may provide a verbal advisory to a speaker at the Podium when thirty (30) seconds remain of the specified time to conclude comments. During public hearings, speakers may address the Board only on matters pertaining or germane to the issue for which the public hearing is being held. No speaker is to engage in political statements, personal attacks upon members of the Board of Supervisors, county employees or officials, or any other person, nor are speakers entitled to use abusive language or discuss matters outside the issue for which the public hearing is being held. Violation of this rule shall enable the Chairman by directive to take appropriate measures to rule the speaker out of order and to have the speaker removed from the meeting, if necessary and take such other steps the Chairman deems appropriate, including bringing appropriate charges against the person and bringing the charges in the name of the Board of Supervisors.

i. No discourse at a public hearing, whether during general presentation and discussion or during the Open portion of the hearing is required to be entered into the Minutes unless conducted at the Podium.

j. Upon conclusion of speakers at the Podium, the Chairman shall close the public hearing. A motion and majority vote of a quorum of Board members present at a public hearing shall overrule the Chairman's decision to close the public hearing or to limit speakers, in which event speakers may continue until the Board by majority vote ends the public hearing. A motion and majority vote of a quorum of Board members present shall also close the public hearing in this event. An Action of Record may be taken at the close of a public hearing at the discretion of the Board. Matters may be presented for information, discussion and action and/or scheduled for further consideration as an Item of Business at a future meeting of the Board. When speaking during Board Member Reports, Board members shall be limited to ten (10) minutes, at which time the Chairman may at his discretion suspend further presentation from the Board member and request action by consensus agreement of Board members present at the Board Table to permit additional time to conclude the presentation. No Board member shall yield time or place under Board Member Reports to any other Board member or other person. No member of the Board shall have any other position reserved for them on the Meeting Agenda other than under Board Member Reports.

**Article 9. Minutes of the Meetings of the Board of Supervisors**

9.1. At all official meetings of the Board at which a quorum is present Minutes of the meeting shall be taken and shall be approved by the Board and recorded in the office of the Cumberland County Administrators Office.

9.2. Public Information Meetings and Workshop Meetings as defined in these By-laws may be recorded as Minutes at the direction of the Board. At any such meeting where an Action of Record is taken, Minutes shall be taken and approved by the Board and recorded.

9.3. Pursuant to § 15.2-1536 and § 15.2-1538 of the Virginia Code, the County Administrator shall serve as Clerk of the Board and shall carry out the duties specified in § 15.2-1539 of the Virginia Code. The County Administrator may designate a Recording Clerk to take and prepare the Minutes of the Board and to assist in the exercise of the office of Clerk of the Board. Minutes shall be prepared on the basis of both written notes and audio recordings. Where technically possible, audio recordings shall be made of all official meetings of the Board, subject to the provisions of Paragraph 9.2 of this Article. The specific language of the Minutes of any given meeting shall be at the discretion of the County Administrator, who shall endeavor to render the Minutes in the most accurate and neutral way possible. The County Administrator shall review and correct all Minutes prior to dissemination to the Board for adoption.

9.4. The Board may at its discretion generally prescribe the form and content of the Minutes of its meetings in keeping with professionally accepted standards for it. At minimum, the Minutes shall contain the styling of the Item of Business stated on the Meeting Agenda or modification thereof, the Action of Record, the vote by individual member or consensus expression of the Board, or directive of the Chairman. Where practical, a brief synopsis of any discussion of the Item of Business shall also be included.

9.5. Minutes of any meeting shall generally be presented at the next or following Regular Meeting of the Board where at least five (5) working days exist between the successive meetings.

9.6. Minutes shall not be considered official until approved by the Board and recorded. After approval of the Board but prior to recordation, the County Administrator may make additions or corrections to the Minutes that do not materially affect the substance or content of the Minutes. These include, but are not limited to: correction of misspellings, typographical errors and incorrect grammar; page renumbering; clarification of content and errors of omission. Should evidence of an error in a recorded vote be discovered after approval but prior to recordation, the County Administrator shall attempt to verify it and correct by the best available means, including corroboration by individual Board members and other reliable witnesses to the meeting.

9.7. Should an error or evidence of an error in the Minutes of any Meeting of the Board be discovered after recordation, the County Administrator shall bring the error before the Board at the next official meeting as is practical. The Board by vote of a majority of those members present at the meeting at which the error was made shall correct the Minutes by amendment. Members of the Board not present at said meeting shall abstain from voting on the correction. Should no majority of Board members present at the meeting in which an error was made in the Minutes be or remain seated as members of the Board, a majority vote of the presently seated Board members shall then correct the Minutes by amendment.

9.8. Amendment to the recorded Minutes of any Meeting shall be entered as an Action of Record in the Minutes of the Meeting at which the amendment was made. In addition and where practical as determined by the County Administrator or Recording Clerk, the recorded Minutes shall be altered to include the amendment, either by insertion of a new, corrected page in sequence or by separate Amendment Addendum at the beginning or first page of the recorded Minutes of the Meeting to be corrected. Whether by insertion of a new corrected page or by Amendment Addendum, the correction shall be clearly documented as a correction of previously recorded Minutes, indicating the first date of recordation, the date of Board action to

amend the Minutes, and the date of recordation of the amended Minutes.

9.9. When audio recordings of Board meetings are made, the County Administrator shall cause their preservation for a period of time not to exceed two (2) calendar years from the date of the meeting, at which time they may be discarded. Where preserved, audio recordings shall be considered publicly accessible without charge upon prior appointment for review through the office of County Administrator.

9.10. When video recordings of Board meetings or portions thereof are made, the preservation of said recordings shall be at the discretion of the County Administrator. The Board may at its discretion direct the preservation of specific recordings, and the County Attorney may request preservation of specific recordings only if such recordings are needed to support legal proceedings, pending or anticipated.

9.11. Verbatim transcription of the proceedings of any meeting in its entirety shall not be undertaken except by majority vote of the Board and only in instances where excerpted verbatim transcriptions of a portion or portions of the proceedings are insufficient to address the need. Any verbatim transcription generated, whether of an entire meeting or portion(s) thereof, shall not be adopted or made part of the official Minutes of any meeting.

9.12. Individual members of the Board and the County Attorney may request excerpted verbatim transcription of a portion or portions of any meeting through the County Administrator. If requested by a member of the Board, the County Administrator and/or the Recording Clerk will make a reasonable effort to generate a requested transcription prior to any subsequent meeting of the Board; the generation of such transcription is subordinate to the preparation and review of the Minutes and other duties and responsibilities of the involved personnel. A request by the County Attorney shall be made only if such transcription is needed to support legal proceedings,

pending or anticipated. The County Administrator at his discretion may make any verbatim transcription requested generally available to all members of the Board.

9.13. Unapproved Minutes shall be released publicly upon incorporation into and completion of the Meeting Agenda Book. At the discretion of the County Administrator, unapproved Minutes may be released publicly at an earlier time; availability of completed unapproved Minutes shall not compel release at such earlier time.

9.14. No recording device shall be used during any Closed Meeting of the Board unless the majority of the members of the Board present at the meeting vote to allow recording of the Closed Meeting. Any such recording shall remain in the sole custody of the County Administrator, County Attorney, Chairman or other member of the Board designated by the Board.

1.) Uphold the Constitution, laws and regulations of the United States and all governments therein and never knowingly be a part of their evasion.

2.) Put loyalty to the highest moral principles and to the county as a whole above loyalty to individuals, district, or particular groups.

7.) Ensure the integrity of the actions of the Board of Supervisors by avoiding discrimination through the dispensing of special favors or unfair privileges, to any one whether for remuneration or not. A member should never accept for himself or family members, favors or benefits under circumstances which might be construed by reasonable persons as influencing the performance of governmental duties.

8.) Make no private promises of any kind binding upon the duties of any office, since a public servant has no private word which can be binding on a public duty.

9.) Engage in no business with the County Government, or the school system either directly or indirectly, which is inconsistent with the conscientious performance of government duties except as may be consistent with the conflict of interest statutes in the Code of Virginia.

10.) Never use any information gained in confidentiality in the performance of governmental duties as a means of making private profit.

11.) Expose through appropriate means and channels, corruption, misconduct, or neglect of duty whenever discovered.

12.) Adhere to the principle that the public's business should be conducted in the public view by observing and following the letter and spirit of the Freedom of Information Act using closed sessions only to deal with the sensitive personnel, legal matters, contractual matters by the Code of Virginia.

13.) Avoid using the position of public trust to gain access to the media for the purposes of criticizing colleagues, citizens or personnel, impugning their integrity, or vilifying their personal beliefs.

14.) Make sure, when responding to the media, that a clear distinction is made between personal opinion or belief and a decision made by the Board.

15.) Review these principles orally and in public session at the annual organizational meeting each year.

16.) Pledge to honor and uphold these principles, ever conscious that public office is a public trust.

### **STANDARDS OF CONDUCT**

Recognizing that persons holding a position of public trust are under constant observation by the media and interested county residents, and recognizing that maintaining the integrity and dignity of the public office is essential for maintaining high levels of public confidence in our institutions of government, every member of the Board of Supervisors should adhere to the following Standards of Conduct:

8.) Be tolerant. Allow citizens, employees or colleague's sufficient opportunity to present their views.

9.) Be respectful and attentive. Avoid comments, body language or distracting activity that conveys a message of disrespect for the presentations from citizens, personnel, or colleagues.

10.) Be concise. Avoid the practice of taking more time to address an issue before the body than is necessary and essential for an adequate consideration of those matters being discussed.

11.) Provide appropriate mechanisms for disciplining members who violate the code of ethics and standards of conduct by using, as a final measure of discipline, censure or removal from the position.

12.) Board members will follow the procedure of communicating directly with the County Administrator and/or the Chairman of the Board on all County matters.

2.) Each Board member must remember that personnel matters are to remain confidential and that it is the obligation of the Board and its membership to protect the privacy of the individual.

3.) The Board will focus on issues and avoid making public comments about individuals, staff members, fellow Board members, community residents or media representatives. The Board Chairman should be the main contact for County matters. When requested to do any interview, the Board member asked, should contact the Chairman and the County Administrator to tell them of the nature of the interview.
