Reports:

The County Registrar reported the following:

The Registrar's office continues to keep up with the daily new voter registration, projects that come up and are required by the state to do and watch webinars that the state requires as well. The biggest and most challenging project has been redistricting for 2022. Happy to report it is almost done, hoping funding will come from the state to mail out the new voter cards before the fall election, because of the changes to the House of Delegates and State Senate Districts and the county's second and third district's boundaries.

Jason Moore and Wendy Hannah have completed their paper work to be put on the November ballot for Cumberland's Commonwealth Attorney.

Linda Johnston was hired as Deputy Registrar and will begin working on July 6, 2022.

Unfinished Business:

Emergency plans for voting precincts – The Board reviewed emergency plans from Amelia and Prince Edward counties. We also discussed if the state had any emergency plans for counties. The Board will continue to work on the emergency plan at the next meeting.

Identifying/clarifying the duties of the General Registrar – The Board discussed clarifying the duties of the General Registrar vs the Electoral Board. The Board will continue to work on the duties of the General Registrar at the next meeting.

New Business:

Conduct the annual evaluation of the County Registrar. The Board went into closed session and completed the annual evaluation of the General Registrar.

Public Comments: None

The next meeting will be September 20, 2022 at 10 AM.

The chair adjourned the meeting at 12:00 Noon.
