An emergency meeting of the Cumberland County Board of Supervisors was called for 2:00 p.m. on the 8<sup>th</sup> day of April 2020 at the Board meeting Room, 1 Courthouse Circle, Cumberland, Virginia:

Present: Brian Stanley, District 1  
Ron Tavernier, District 2  
Eurika Tyree, District 3  
Gene Brooks, District 4  
Robert Saunders, Jr., District 5  
Don Unmussig, County Administrator  
Brian Butler, County Attorney  
Stephany S. Johnson, Deputy Clerk

Absent: None

The purpose of the meeting was to discuss the Continuity of Government during the COVID-19 pandemic disaster; a communicable disease of public health threat. This meeting was held via electronic communication and in accordance with Virginia Code § 2.2-3708.2. A.3. Members physically present were Supervisor Tavernier and Deputy Clerk, Stephany Johnson. Members participating by telephone or other electronic communications were Chairman Stanley, Vice-Chairman Tyree, Supervisor Brooks, Supervisor Saunders, and County Administrator, Don Unmussig. Meeting notice was posted to the County website on Monday, April 6, 2020, which included information regarding the opportunities for the public to access this electronic meeting.

1. Call to Order

The Chairman called the meeting to order.

2. Roll call of Members

Deputy Clerk, Stephany Johnson called the roll.

3. Approval of Agenda

On a motion by Supervisor Tyree, and seconded by Supervisor Brooks, The Board approved the agenda as amended:

Vote: Mr. Stanley – aye                      Mr. Tavernier – aye  
Mrs. Tyree – aye                         Mr. Brooks – aye  
Mr. Saunders – aye

4. Amendment of the Emergency Declaration of March 16, 2020 to include the designation of a disaster in accordance with Virginia Code § 15.2-1413

County Attorney, Brian Butler, informed those attending the meeting that the reason for the Ordinance was because a disaster exists which requires the county to ensure continuity in its government. Declarations of emergency have been made at all levels of government, including Cumberland. This ordinance is being enacted to conduct essential business of the Board. This meeting is being held, and public participation has been provided through the electronic meeting software.

Pursuant to Virginia Code §44-146.21, a local emergency was declared on March 16, 2020, and amended today, declaring that this local emergency constitutes a disaster. Meeting by electronic means is required due to a communicable disease of public health threat. Members of the local governing body are critical staff and interested members of the public are in vulnerable population groups. Holding a public meeting at this time where the governing body is physically assembled sends a conflicting message to the public regarding social distancing.

There are matters on upcoming agendas, including the budget, that require action. The Code of Virginia requires and allows governing bodies of localities to conduct their meetings in manners which are consistent with providing continuity of government, and in a safe and healthy manner, for the safety, health and welfare for the governing body and all interested parties, consistent with open government.

The COVID-19 virus makes it impractical and unsafe, potentially even life-threatening, for a quorum to physically assemble, and for staff and residents to gather, in one location to participate in this meeting due to the possibility of transmission of the disease. The Emergency Ordinance for Continuity of Government as prepared, allows for meetings that do not concern the emergency itself to be conducted solely electronically, and to provide public participation through electronic means.

This Ordinance has a period of effect of up to sixty (60) days, unless it is enacted with proper notice to the public at a subsequent time.

On a motion by Supervisor Tavernier and seconded by Supervisor Saunders, the Board amended the Emergency Declaration of March 16, 2020 to include the designation of a disaster in accordance with Virginia Code 15.2-1413:

Vote:	Mr. Stanley – aye	Mr. Tavernier – aye
	Mrs. Tyree – aye	Mr. Brooks – aye
	Mr. Saunders – aye	

5. CA 20-02 Emergency Ordinance ensuring Continuity of Government

On a motion by Supervisor Tavernier and seconded by Supervisor Saunders, the Board approved and enacted the Emergency Ordinance for Continuity of Government:

Vote:	Mr. Stanley – aye	Mr. Tavernier – aye
	Mrs. Tyree – aye	Mr. Brooks – aye
	Mr. Saunders – aye	

6. Adjourn

By unanimous consent, the Board adjourned the meeting until the next meeting of the Cumberland County Board of Supervisors is scheduled for Tuesday, April 14, 2020, at 7:00 p.m. in the Circuit Courtroom of the Cumberland Courthouse.

**6. No General Obligation or Other Pledge.** Neither the faith and credit of the County, the Commonwealth of Virginia nor any other political subdivision thereof shall be pledged for the payment of principal of and premium, if any, and interest on the Bond. The Board approves a moral obligation and a pledge of such funds appropriated on a yearly basis to the payment of monies due under the Agreement, including principal of and premium, if any, and interest on the Bond, and such other fees or charges as set forth in the Loan Documents. The Board further agrees, pursuant to the terms of the Agreement, that it shall not sell, lease, encumber or otherwise pledge either the County's Administration Building or the Sheriff's Office to any third party or lender without the prior written consent of the Lender.

**7. Annual Budget; Moral Obligation.** As referenced above, while recognizing that it is not empowered to make any binding commitment to make such payments beyond the current fiscal year, the Board hereby states its intent to make annual appropriations for future fiscal years in amounts sufficient to make all such payments under the Loan Documents and hereby recommends that future Boards do likewise during the terms of the Agreement. The Board directs the County Administrator, or such other officer who may be charged with the responsibility for preparing the County's annual budget, to include in the budget request for each fiscal year during the term of the Agreement an amount sufficient, including Revenues, to pay all amounts coming due under the Agreement during such fiscal year. As soon as practicable after the submission of the County's annual budget to the Board, the County Administrator is authorized and directed to deliver to the Lender evidence that a request for an amount sufficient to make the payment of all amounts payable under the Agreement has been made. Throughout the term of the Agreement, the County Administrator shall deliver to the Lender within 30 days after the adoption of the budget for each fiscal year, but not later than July 1, a certificate stating whether an amount equal all payments coming due or payable during the next fiscal year has been appropriated by the Board in such budget. If at any time during any fiscal year of the County, the amount appropriated in the County's annual budget is insufficient to pay when due all amounts payable under the Agreement, the Board directs the County Administrator, or such other officer who may be charged with the responsibility for preparing the County's annual budget, to submit to the Board at the next scheduled meeting, or as promptly as practicable but in any event within 45 days, a request for a supplemental appropriation sufficient to cover the deficit.

**8. Preparation of Printed Bond; Mutilated or Destroyed Bond.** The printed Bond may be executed by manual or facsimile signature of the Chairman or Vice-Chairman, the County's seal affixed thereto and attested by the Clerk or Deputy Clerk of the Board; provided, however, that if both such signatures are facsimiles, no bond shall be valid until it has been authenticated by the manual signature of the Registrar and the date of authentication noted thereon. If the Bond has been mutilated, lost or destroyed, the County shall execute and deliver a new bond of like date and tenor in exchange and substitution for, and upon cancellation of, such mutilated bond or in lieu of and in substitution for such lost or destroyed bond; provided, however, that the County shall so execute and deliver only if the registered owner has paid the reasonable expenses and charges of the County in connection therewith and, in the case of a lost or destroyed bond, (a) has filed with the County an affidavit reasonably satisfactory to the County that such bond was lost or destroyed and (b) has furnished to the County reasonably satisfactory indemnity. The typewritten Bond surrendered in any such exchange shall be canceled.

**9. Registration and Transfer of the Bond.** The County appoints the County Finance Director as registrar (the "Registrar") for the Bond. The Registrar shall maintain registration books for the registration of the Bond and transfers thereof. Upon surrender of the Bond at the office of the Registrar, together with an assignment duly executed by the registered owner or its duly authorized attorney or legal representative in such form as shall be reasonably satisfactory to the Registrar, the County shall execute, and the Registrar shall authenticate and deliver in exchange, a new bond or bonds having an equal aggregate principal amount, of the same form and maturity, bearing interest at the same rates and registered in such name as requested by the then registered owner or its duly authorized attorney or legal representative. Any such exchange shall be at the expense of the County, except that the Registrar may charge the person requesting such exchange the amount of any tax or other governmental charge required to be paid with respect thereto.

The Registrar shall treat the registered owner as the person or entity exclusively entitled to payment of principal, interest and premium, if any, and the exercise of all other rights and powers of the owner. The Board further appoints the Virginia Local Government Finance Corporation ("Paying Agent" or "VLGFC"), a component unit of VML/VACo Finance and its governmental body, the Industrial Development Authority of the County of Stafford and the City of Staunton, Virginia, as Paying Agent for the Bond and directs the County Administrator to execute a Paying Agent Agreement with VLGFC for processing payments to the Lender due under the Loan Documents at a fee not greater than one tenth of one percent (.10%) of the outstanding amount due under the Bond.

**10. Delivery of Bonds.** The Chairman or Vice-Chairman and Clerk of the Board are authorized and directed to take all proper steps to have the Bond prepared and executed in accordance with its terms and to deliver it to the Lender as the purchaser thereof as set forth in the Agreement.

**11. Tax Provisions.** The County covenants that it shall not take or omit to take any action the taking or omission of which will cause the Bond to be an "arbitrage bond" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, and

regulations issued pursuant thereto (the "Code"), or otherwise cause interest on the Bond to be includable in the gross income of the registered owner thereof under existing law. Without limiting the generality of the foregoing, the County shall comply with any provision of law that may require the County at any time to rebate to the United States any part of the earnings derived from the investment of the gross proceeds of the Bond, unless the County receives an opinion of nationally recognized bond counsel that such compliance is not required to prevent interest on the Bond from being included in the gross income for federal income tax purposes of the registered owners thereof under existing law. The County shall pay any such required rebate from legally available funds. The Authorized Signatories, either of whom may act, are authorized to execute a Tax Compliance Agreement or any related document (the "Tax Documents") on behalf of the County, setting forth the expected use and investment of the proceeds of the Bond and covenants of the County regarding compliance with provisions of the Code governing obligations the interest on which is excluded from gross income for purposes of federal income taxation. Further, the County covenants that it shall at all times conduct or cause to be conducted the use of, or the expenditure of, the proceeds from the issuance of the Bond so as not to permit more than the five percent (5%) for Nonexempt Uses, as that term is used in the Section 141 of the Code.

**12. Bank-Qualification Designation.** The County designates the Bond as a "qualified tax-exempt obligation" for the purpose of Section 265(b)(3) of the Code. The County represents and covenants as follows:

(a) The County will in no event designate more than \$10,000,000 of obligations as qualified tax-exempt obligations in calendar year 2020, including the Bond, for the purpose of such Section 265(b)(3);

(b) The County, all its "subordinate entities," within the meaning of such Section 265(b)(3), and all entities which issue tax-exempt obligations on behalf of the County and its subordinate entities have not authorized, in the aggregate, more than \$10,000,000 of tax-exempt obligations to be issued in calendar year 2020 (not including "private activity bonds," within the meaning of Section 141 of the Code, other than "qualified 501(c)(3) bonds," within the meaning of Section 145 of the Code), including the Bond;

(c) Barring circumstances unforeseen as of the date of delivery of the Bond, the County will not issue tax-exempt obligations itself or approve the issuance of tax-exempt obligations of any of such other entities if the issuance of such tax-exempt obligations would, when aggregated with all other tax-exempt obligations theretofore issued by the County and such other entities in calendar year 2020, result in the County and such other entities having issued a total of more than \$10,000,000 of tax-exempt obligations in calendar year 2020 (not including private activity bonds other than qualified 501(c)(3) bonds), including the Bond; and

(d) The County has no reason to believe that the County and such other entities will issue tax-exempt obligations in calendar year 2020 in an aggregate amount that will exceed such \$10,000,000 limit;

provided, however, that if the County receives an opinion of nationally recognized bond counsel that compliance with any covenant set forth in (a) or (c) above is not required for the Bond to be a qualified tax-exempt obligation, the County need not comply with such covenant.

**13. Tax and Other Documents.** Each of the Authorized Signatories is authorized and directed to execute and deliver an IRS Form 8038-G in a form approved by such officers and the County's bond counsel.

**14. Limitation of Liability of Officials of County.** No covenant, condition or agreement contained herein shall be deemed to be a covenant, agreement or obligation of an officer, employee, member of the Board, or agent of the County in his or her individual capacity, and no officer of the County or member of the Board executing the Bond shall be liable personally on the Bond or be subject to any personal liability or accountability by reason of the issuance thereof. No officer, employee or agent of the County shall incur any personal liability with respect to any other action taken by him or her pursuant to this Resolution provided he or she acts in good faith.

**15. Other Actions.** All other actions of officials of the County in conformity with the purposes and intent of this Resolution and the Agreement and in furtherance of the issuance and sale of the Bond are ratified, approved and confirmed. The officials of the County are authorized and directed to execute and deliver on behalf of the County such agreements and other instruments, documents or certificates, and to do and perform such things and acts, as they shall deem necessary or appropriate to carry out the transactions authorized by this Resolution or contemplated by the Bond or the Agreement, and all of the foregoing, previously done or performed by such officers of the County, are in all respects approved, ratified and confirmed.

**16. Headings.** Any headings in this resolution are solely for convenience of reference and shall not constitute a part of the resolution nor shall they affect its meaning, construction or effect.

**17. Severability.** If any court of competent jurisdiction shall hold any provision of this Resolution to be invalid and unenforceable, such holding shall not invalidate any other provision hereof.

**18. Filing of Resolution.** The Authorized Signatory and Clerk to the Board are authorized and directed to see to the prompt filing of a certified copy of this Resolution in the Circuit Court having jurisdiction over the County, in accordance with Sections 15.2-2607 and 15.2-2627 of the Public Finance Act.

**19. Effective Date.** This Resolution shall take effect immediately.

Adopted: April 28, 2020.

**6. Public Hearing and Ratification of Emergency Continuity of Government Ordinance**

County Attorney, Brian Butler, summarized the following for the record for holding this meeting electronically:

During a disaster, the Code of Virginia requires and allows governing bodies, localities and other public entities to conduct their meetings in manners which are consistent with providing continuity of government in a safe and healthy manner, and for the public safety, health and welfare of the governing body and all attendees, interested parties consistent with open government. The virus, which is a communicable disease of public health threat, makes it impractical and unsafe, even life threatening, for a quorum of the governing body to assemble in one location. The virus also makes it impractical and unsafe, as well as life-threatening for the public and the localities' staff to gather in the same location to participate in this meeting. Pursuant to the declaration of the federal government, state government and this locality, a disaster exists, which allows us to provide for continuity of government for a period not exceeding six months pursuant to Virginia Code § 15.2-1413. Appropriate declarations of emergency have been made on all levels pursuant to Virginia Code § 44-146.21 paragraph C.

The initial adoption of the Continuity of Government document and Ordinance could only be effective for a period of 60 days since it was not noticed properly for adoption of an ordinance in general but was noticed properly for adoption of an emergency ordinance. As such, for the county to continue beyond the 60-day period, using the Continuity of Government Ordinance, the Board will have to readopt the ordinance tonight.

The Chairman opened the public hearing. With no public comments received, the Chairman then closed the public hearing. On a motion by Supervisor Tavernier and seconded by Supervisor Tyree, the Board Ratified and readopted the Continuity of Government Ordinance:

**EMERGENCY ORDINANCE TO EFFECTUATE TEMPORARY CHANGES IN CERTAIN DEADLINES AND TO MODIFY PUBLIC MEETING AND PUBLIC HEARING PRACTICES AND PROCEDURES TO ADDRESS CONTINUITY OF OPERATIONS ASSOCIATED WITH PANDEMIC DISASTER.**

**WHEREAS**, on March 12, 2020, Governor Ralph S. Northam issued Executive Order Fifty-One declaring a state of emergency for the Commonwealth of Virginia arising from the novel Coronavirus (COVID-19) pandemic; and

**WHEREAS**, Executive Order Fifty-One acknowledged the existence of a public health emergency which constitutes a disaster as defined by Virginia Code § 44-146.16 arising from the public health threat presented by a communicable disease anticipated to spread; and

**WHEREAS**, Executive Order Fifty-One ordered implementation of the Commonwealth of Virginia Emergency Operations Plan, activation of the Virginia Emergency Operations Center to provide assistance to local governments, and authorization for executive branch agencies to waive “any state requirement or regulation” as appropriate; and

**WHEREAS**, on March 13, 2020, the President of the United States declared a national emergency, beginning March 1, 2020, in response to the spread of COVID-19; and

**WHEREAS**, on March 11, 2020, the World Health Organization declared the COVID-19 outbreak a pandemic; and

**WHEREAS**, on March 16, 2020, the Board of Supervisors of Cumberland County, Virginia (“BOARD”) declared a local emergency effective March 16, 2020 at 4:30 PM, EDT; and

**WHEREAS**, the BOARD finds that COVID-19 constitutes a real and substantial threat to public health and safety and constitutes a “disaster” as defined by Virginia Code §44-146.16 being a “communicable disease of public health threat;” and

**WHEREAS**, Virginia Code § 15.2-1413 provides that, notwithstanding any contrary provision of law, a locality may, by ordinance, provide a method to assure continuity of government in the event of a disaster for a period not to exceed six months; and

**WHEREAS**, Virginia Code § 44-146.21(C) further provides that a local director of emergency management or any member of a governing body in his absence may upon the declaration of a local emergency “proceed without regard to time-consuming procedures and formalities prescribed by law (except mandatory constitutional requirements) pertaining to performance of public work;” and

**WHEREAS**, Virginia Code § 2.2-3708.2(A)(3) allows, under certain procedural requirements including public notice and access, that members of BOARD may convene solely by electronic means “to address the emergency;” and

**WHEREAS**, the open public meeting requirements of the Virginia Freedom of Information Act (“FOIA”) are limited only by a properly claimed exemption provided under that Act or “any other statute;” and

**WHEREAS**, the Governor and Health Commissioner of the Commonwealth of Virginia and the President of the United States have recommended suspension of public gatherings of more than ten attendees; and

**WHEREAS**, The Attorney General of Virginia issued an opinion dated March 20, 2020 stating that localities have the authority during disasters to adopt ordinances to ensure the continuity of government; and

**WHEREAS**, this emergency ordinance in response to the disaster caused by the COVID-19 pandemic promotes public health, safety and welfare and is consistent with the law of the Commonwealth of Virginia, the Constitution of Virginia and the Constitution of the United States of America.

**NOW, THEREFORE, BE IT ORDAINED** by the Board of Supervisors of Cumberland County, Virginia:

1. That the COVID-19 pandemic makes it unsafe to assemble in one location a quorum for public bodies including the Board of Supervisors, the School Board, the Planning Commission, Board of Zoning Appeals, Board of Equalization, and all local and regional boards, commissions, committees and authorities created by the Board or to which the Board appoints all or a portion of its members (collectively “Public Entities” and individually “Public Entity”), or for such Public Entities to conduct meetings in accordance with normal practices and procedures.
2. That in accordance with Virginia Code § 15.2-1413, and notwithstanding any contrary provision of law, general or special, the following emergency procedures are adopted to ensure the continuity of government during this emergency and disaster:
  - a. Any meeting or activities which require the physical presence of members of the Public Entities may be held through real time electronic means (including audio, telephonic, video or other practical electronic medium) without a quorum physically present in one location; and
  - b. Prior to holding any such electronic meeting, the Public Entity shall provide public notice of at least 3 days in advance of the electronic meeting identifying how the public may participate or otherwise offer comment; and
  - c. Any such electronic meeting of Public Entities shall state on its agenda and at the beginning of such meeting that it is being held pursuant to and in compliance with this Ordinance; identify Public Entity members physically and/or electronically present; identify the persons responsible for receiving public comment; and identify notice of the opportunities for the public to access and participate in such electronic meeting; and
  - d. Any such electronic meeting of the Public Entities shall be open to electronic participation by the public and closed to in-person participation by the public; and
  - e. For any matters requiring a public hearing, public comment may be solicited by electronic means in advance and shall also be solicited through telephonic or other electronic means during the course of the electronic meeting. All such public comments will be provided to members of the Public Entity at or before the electronic meeting and made part of the record for such meeting; and
  - f. The minutes of all electronic meeting shall conform to the requirements of law, identify how the meeting was conducted, members participating, and specify what actions were taken at the meeting. The Public Entities may approve minutes of an electronic meeting at a subsequent electronic meeting and shall later approve all such minutes at a regular or special meeting after the emergency and disaster has ended.

**IT IS FURTHER ORDAINED** that notwithstanding any provision of law, regulation or policy to the contrary, any deadlines requiring action by a Public Entity, its officers (including Constitutional Officers) and employees of its organization shall be suspended during this emergency and disaster, however, the Public Entities, officers and employees thereof are encouraged to take such action as

is practical and appropriate to meet those deadlines. Failure to meet any such deadlines shall not constitute a default, violation, approval, recommendation or otherwise.

**IT IS FURTHER ORDAINED**, that non-emergency public hearings and action items of Public Entities may be postponed to a date certain provided that public notice is given so that the public are aware of how and when to present their views.

**IT IS FURTHER ORDAINED**, that each incorporated town within the boundaries of Cumberland County, Virginia are encouraged, authorized and/or directed to declare its own state of local emergency and disaster or incorporate by reference the County's local state of emergency and disaster and to adopt an ordinance for the continuity of town government.

**IT IS FURTHER ORDAINED**, that the provisions of this Emergency Ordinance shall remain in full force and effect for a period of 60 days, unless amended, rescinded or readopted by the Board of Supervisors in conformity with the notice provisions set forth in Virginia Code §15.2-1427 but in no event shall such ordinance be effective for more than 6 months. Upon rescission by the BOARD or automatic expiration as described herein, this emergency ordinance shall terminate, and normal practices and procedures of government shall resume.

Nothing in this Emergency Ordinance shall prohibit Public Entities from holding in-person public meetings provided that public health and safety measures as well as social distancing are taken into consideration.

An emergency is deemed to exist, and this ordinance shall be effective upon its adoption.

**ADOPTED** by the CUMBERLAND COUNTY BOARD OF SUPERVISORS THIS 28<sup>TH</sup> DAY OF APRIL 2020.

## **7. Public Hearing on the 2020 Tax Rate**

County Administrator, Don Unmussig, provided the Board with options regarding different tax rates, and how each would affect the FYE21 budget.

The required proposed revenue and expenditure balances are \$15,921,335 for FYE21. For the county to fully fund the FYE21 budget with only FY21 collected revenues, the 2020 tax rate would have to be set at \$0.77 per \$100 of assessed value.

This is after \$722,477 in cuts were made by staff from the originally submitted budget requests.

If the 2020 tax rate is set at \$0.70, which is the equalized rate, this would net \$15,242,573 in revenue, and would require \$678,762 from the Reserve Fund to meet requirements. Every penny levied above \$0.70 is considered a tax increase to the tax payers. Every penny levied below \$0.77 is less of an increase to the taxpayers, but more money pulled from the Reserve Fund. Every penny of the tax rated equals \$96,966.00. Of the \$96,660 per penny, 88.3% is generated from the real estate tax revenue, and the remaining 11.7% being generated from the Public Services Corporation tax revenue.

The Chairman opened the public hearing. Supervisor Tavernier stated that he understands the dilemma that county is in financially, and that unless the Green Ridge Landfill is taken off the table, they will not support a tax increase, and that he will support a \$0.74 tax rate. Supervisor Tyree states that while she understands the county's financial position, she feels that the county should not tap into the reserve fund for any reason and will support a \$0.77 tax rate.

Supervisor Brooks states that while the Board is between the proverbial rock and a hard place, a \$0.01 drop in the tax rate is an insult to the citizens of the county, and he will not support that. Supervisor Saunders states that if the county uses the reserve funds now, and another disaster occurs, the county will be in more of a bind than we are now, and states that he will support a \$0.77 tax rate.

Chairman Stanley thanked everyone for their input and thought in deliberating this difficult issue. The County is in a terrible spot, especially with the fluidity of the COVID-19 pandemic. However, if the county sets a low tax rate this year, we may be required to raise it again next year or cut funding for the budget to include the School System. The Chairman states that he will support a \$0.77 tax rate.

Staff received two public comments prior to the meeting. One from Ms. Leah Fultz, and one from Mrs. Betty Myers. Their comments are posted on the Board meeting webpage located at <https://www.cumberlandcounty.virginia.gov/node/480>.

With no other public comments received, the Chairman then closed the public hearing. On a motion by Supervisor Tyree and seconded by Supervisor Stanley, the Board set the 2020 tax rates by the following vote:

## COUNTY OF CUMBERLAND, VIRGINIA INFORMATION TECHNOLOGY SECURITY AND USE POLICY ADOPTED BY THE BOARD OF SUPERVISORS MAY 12, 2020

### 1.1 Purpose

This policy establishes the minimum standards for all County employees and volunteers to ensure the appropriate, responsible, and safe use of electronic communications, regardless of the system utilized.

### 1.2 Applicability

This procedure applies to all full-time, part-time regular and part-time County employees, contractors, interns, on-call workers, and volunteers connecting to the County resources.

### 1.3 Responsibilities and Requirements

All County employees and volunteers must comply with this policy. Any work-related posting to the facsimile, internet or intranet or E-mail system is a professional communication in your capacity as a County employee or volunteer. The tone must be professional, and the content must be accurate.

Inappropriate or unauthorized use, including using the facsimile, network, internet, intranet, or e-mail system in any fraudulent manner will result in disciplinary action.

**A. Retention of Electronic Communication**

Electronic communications shall be archived and retained as defined by the Virginia Public Records Act and managed by the Library of Virginia.

**B. Acceptable Use**

County issued electronic communication tools are provided to facilitate effective and efficient County operations. Authorized purposes may include occasional personal communications from the employee's workplace, when such communications are of short duration, and whenever possible, made before/after work or during lunch or authorized breaks.

The Acceptable Use Policy also applies to the use of personally owned electronic devices while at the workplace, whether connected to a County network or using a County publicly accessible Wi-Fi connection. In areas where employees must share equipment or resources for network access, employees using the resources to fulfill job responsibilities always have priority over those desiring access for personal use.

Use of personally-owned electronic devices in the employee's work area is left up to the discretion of department management. Use of streaming media (such as Internet Radio) on County devices is also left up to the discretion of the department management, unless it is determined by the IT Department that it creates a disruption or problem within the County network or on an individual workstation, in which case such use is prohibited.

**C. Use Requirements**

When using electronic communications tools and social media, users shall:

1. Follow all applicable County policies. Users may not violate any provision of this policy, or any other policy, regulation, law or guideline as set forth by local, State

or Federal law. This may include but is not limited to copyright laws, trademark laws, and other requirements.

2. Be responsible and professional in their activities.
3. When communicating or posting to social media, be clear that the communication or posting is personal and is not a communication of the County.
4. Exercise the appropriate care to protect the County's electronic communication tools against the introduction of viruses, spyware, malware, or other harmful attacks. Check with the appropriate IT Staff prior to downloading or accessing a file or document if the source of the file or other circumstances raises doubts about its safety.
5. Maintain the conditions of security (including safeguarding of passwords) under which they are granted access.

**D. Prohibited Use**

The following activities are prohibited on County electronic devices unless required for law enforcement activities:

1. Intentionally accessing, viewing, downloading, uploading, posting, or transmitting information that is abusive, offensive, harassing, threatens violence, or that discriminates based on race, color, religion, gender, national origin, age, or disability.
2. Intentionally accessing, viewing, downloading, uploading, posting, or transmitting sexually explicit material. Sexually explicit material includes any

description of or any picture, photograph, drawing, motion picture film, digital image or similar visual representation depicting nudity, sexual excitement, or sexual conduct of any kind.

3. Operating a business, product advertising, or conducting business for profit or personal gain.
4. Using County e-mail systems excessively for personal use. Use of County email is intended primarily for official County business. Personal use, if necessary, should be limited to incidental use and is subject to review and enforcement for abuse and misuse.
5. Gambling.
6. Arranging for the sale or purchase of illegal drugs or illicit activity.
7. Communication with elected representatives or public or political organizations via County e-mail to express opinions regarding political issues outside of work-related communications.
8. Sending of Countywide e-mail or e-mail broadcasts without first obtaining approval by the County Administrator or his/her designee.
9. Reproduction or transmission of any material in violation of any local, State, Federal or international law or requirement, including material that does not comply with federal copyright or trademark laws and copying or reproducing any licensed software, except as expressly permitted by the software license.

10. Electronically transmitting confidential information outside of the County network to external sources.
11. Intentionally creating a computer virus and/or placing a virus on the County's network or any other network. Intentionally drafting, forwarding, or transmitting chain letters. Intentionally accessing a computer without authorization or by a means exceeding authorized access using the County's network or any other network (Hacking).
12. Any attempt to gain access to any other system or user's personal computer data without the consent of the other system or user.
13. Intentionally circumventing security and control features associated with County filtering policies or other Internet policies by using publicly accessible Internet wireless networks (such as Verizon air cards or public Wi-Fi) from County devices for purposes other than approved, official County government business.
14. Downloading or installing software without IT Department approval.
15. Forwarding of County email which constitutes official County government correspondence to a personal email account (such as Yahoo, GMAIL, or other Internet based email accounts), which reduces the ability to routinely manage the content.
16. Any other use of the network that violates Cumberland County policies or Code of Ethics.

#### **1.4 Posting or Transfer of Confidential or Inappropriate Information**

Sensitive or confidential information that needs to be protected for governmental business, legal, or regulatory reasons must not be posted to the internet or transmitted insecurely. County Employees shall use secure file and large file transfer protocols developed by the IT Director.

County personnel and volunteers are prohibited from the following:

- (1) speech or images containing obscene, vulgar, or sexually explicit activity or language;
- (2) speech or images that ridicule, malign, disparage, or otherwise express bias against any race, any religion, or any protected class of individuals;
- (3) speech or images that reflect behavior that would reasonably be considered reckless or irresponsible;
- (4) speech or images that reflect negatively on the County; and
- (5) discussion of sensitive, confidential, proprietary, or classified information.

Examples of social media or online postings that are inappropriate, and for which an employee or volunteer may be disciplined include, but are not limited to, posts or comments that:

- (a) impair the performance of your duties;
- (b) impair discipline and harmony among coworkers;
- (c) impair working relationships of the County;
- (d) interfere with County business or operations;
- (e) disclose confidential or sensitive information; or
- (f) negatively affect the public perception of the County.

The employee or volunteer should be aware of their association with the County in online social networks. The employee or volunteer should assume that his/her speech and related activities on social media sites will reflect upon the County. The employee or volunteer shall not post, transmit, or otherwise disseminate any information to which they have access as a result of their employment unless it is already public information. The employee or volunteer should ensure their profile and related content is consistent with how they want to present themselves as a County employee or volunteer, appropriate with the public trust associated with the position, and consistent with County and departmental personnel policies.

The employee or volunteer is prohibited from posting department logos, uniforms, or anything else identifying the department or County on a social media site or web page in a manner that reflects poor judgment or unprofessional actions.

#### **1.5 Disciplinary Action for Violation of this Administrative Policy**

Violation of this policy shall result in disciplinary action up to and including termination and restitution for all incurred damages and repair costs to the County's Equipment, Network, and Services, to include downtime that may occur.

#### **1.6 Ownership & Management of County Information**

All County owned computer systems, hardware, software, and any related systems and devices are the property of Cumberland County. These include, but are not limited to, network equipment, e-mail, documents, spreadsheets, calendar entries, appointments, tasks, and notes, which reside in part or in whole on any County computer system or equipment. Accordingly, information stored on such systems or devices is also County property and subject to review at any time. Employees and volunteers have no expectation of privacy in the use of County resources. Electronic mail records are accessible by the IT Department staff as necessary.

Additionally, the County Attorney, County Administration, Human Resources and the Police Department may have reason to review the electronic files of employees and volunteers, which may be shared with others as necessary for legal and/or policy enforcement reasons. All County department directors shall work through the Police Department, County Attorney or Human Resources to evaluate the need to review electronic records of an employee pursuant to an investigation. The Police Department, County Attorney or Human Resources Department may then request permission from the County Administrator or designee for the retrieval of records and forward that permission to the Director of Information Technology or designee for processing. In the event that an employee or volunteer is unexpectedly unavailable for other than disciplinary reasons and access to the employee's/volunteer's records is needed to support the ongoing operation of the business, the department director may request access to the electronic records from the Director of Information Technology or designee.

As with any other data (whether for citizens or employees), computerized information maintained by the County is subject to federal, state and local laws. Any County business e-mail or other communications, regardless of origin, may be subject to disclosure under the Virginia Freedom of Information Act ("VFOIA"), the Privacy Protection Act, and judicial subpoena. Since privacy cannot be assured within email systems, confidential information shall not be transmitted by non-secure email.

### **1.7 Security of Cumberland County Technology Resources**

Users are responsible for the use of their user account and should take all reasonable precautions to prevent unauthorized persons from being able to use their account. No one shall share their passwords. For business continuity and emergencies, exceptions may be granted with Director of Information Technology (or County Administrator) and Department Head approval. All passwords shall follow applicable County password management standards. It is the responsibility of every employee/volunteer to report suspected security breaches immediately to the IT Department by contacting the main phone number to report

a suspected breach.

**Music/Video files:** Music/Video files are not authorized to be stored on county computer systems to prevent violation of copyright infringement laws. If music/video files are found during routine scans of network systems, the IT department will remove them and the user will be notified via e-mail.

**Picture files:** Non-Work related/Personal Picture files are not authorized to be stored on the County's servers. If Non-Work related/Personal Picture files are found during routine scans of network systems, the user will be notified via e-mail to (re)move the files by a certain time and/or date. If the files are not (re) moved by the time specified, the IT department will remove them.

## **1.8 Filtering**

The IT Department will install and maintain filtering software for all County computers. Internet filtering of County computers is in accordance with the prohibitive uses described in Section 1.3(D). Exceptions to the filtering requirement may be made on an individual employee basis for appropriate governmental purposes. Department Heads should forward such request in writing to the Director of Information Technology for approval, identifying the individual employee and/or physical personal computer requesting the exception and the reason the exception is needed. The IT Department will maintain a list of unfiltered devices and users, which shall be periodically audited. The filtering of County computers does not relieve persons from the requirements specified in this policy, nor does it provide a defense to violations of this policy.

The IT Department also maintains SPAM filters which automatically filters and removes suspect or dangerous email from delivery and places them into a SPAM folder. Incoming e-mail that could be interpreted as SPAM may include, but is not limited to, unacceptable file extensions (such as .exe files), excessively large size file attachments, objectionable content

based upon subject title, and recognized malware or virus signatures. End users are provided the capability to manage their SPAM folders but should exercise extreme caution in removing items designated by the system as SPAM.

**1.9 Distribution of Electronic Information, Internet and Network Resource Policy to County Employees; Employee Acknowledgment**

A copy of the Electronic Information, Internet, and Network Resource Policy shall be distributed to each County employee with an Employee Acknowledgement. Each County employee shall acknowledge receipt of the Policy by signing and dating the Employee Acknowledgement form in the presence of a witness who shall also sign and date the Acknowledgement. The executed Employee Acknowledgement shall be returned to the Human Resources Department for filing in the respective employee's personnel file.

## 2.0 Acknowledgement

By signing below, I, \_\_\_\_\_, as a county employee, volunteer, or otherwise having access to and using any electronic device for county purposes, acknowledge receipt of, and have read and understand the above Information Technology Security and Use Policy. I further acknowledge that any violation of this policy shall result in disciplinary action up to and including termination and restitution for all incurred damages and repair costs to the County's Equipment, Network, and Services, to include downtime that may occur.
